Warren,

It doesn't seem like  
we should be getting out  
of school. We have had  
a lot of laughs and a lot  
of fights, but I hope that  
our friendship was not  
harmful by them. Tell it  
you know when I get  
"married"! Remember  
you're the best man!  
May God Bless and keep  
you always.

Sue

thanks for the use of your  
road. Good luck always.

Friend,

Warren,  
Well, we're about finished

doesn't seem like it. I have  
enjoyed going to school with  
you very much. I really  
don't want to go. I will miss  
you. The last game was a lot  
during study. I hope you

Warren,

I could never write all of the  
crazy times we have had to-  
gether. School has been  
fabulous and I know we will  
miss it next year. Remember

H&P, rides with Horton, all of

the good meals at the red hill, and all the parties.

Best of luck in college. Friends & crew,

Frank

Well L C

I've enjoyed fighting with you and  
having fun with you these last years  
you're the best friend I've got in this  
place you and I have had a bunch of  
great times together and I hope we have  
many more. Remember the time we  
went to Crystal Lake and what happened  
and the time we went saw back riding  
and your little bike and then there was  
the time we went froggy jumping and fishing  
on Wallace Lake I'll always be around  
seeing the things were some what I won't  
mention. I wish you all the luck in the  
world.

your friend always

Dear Warren,  
It really has been great  
going to school with you  
these past few years. You  
have such a great personality.  
Remember all those moments  
storing classes? We've had  
such a blast! Good luck  
always.

Warren,

I've enjoyed going to  
school with you all of  
this time. Can you believe  
we are finally getting out!  
You're a nice guy and I'll  
miss you next year!

Love,  
Sally

Warren.

I hope you  
enjoyed senior  
year a lot.

I enjoyed mine.

See you all the  
time. Love,  
T.F. (L)

Warren,

You're a great  
cousin. I've had a  
lot of fun with you.  
I'll never forget all the  
hayfields and driving  
the truck. Remember  
when I dumped all the  
hay? Thanks for all  
your advice. Good luck!

Love, Jay

P.S. Thanks for the  
"will."

April 16, 1968

Warren,

Well, I really don't know where to start but I guess the best place is at the beginning. I sure am glad that we finally got the chance to know each other better, and believe me - we enjoyed every minute of it! You really have shown me many great ways to many more. (don't let that scare you!) Well, you really can have fun without having strings attached!!

I hope you realize that Saturday (April 13, 1968) was a night that I'll never forget. I really had a wonderful time besides receiving my very first orchid - I believe you were just about as excited as I was about it!!

Warren, I hope that all of the many times we made you mad have now been forgotten and forgiven. Maybe now you're realizing how I really am and will learn to accept it. I hope so because I sure would hate you to be constantly mad at me! No! (I'm too sweet)

Thanks again, Warren, for calling me "that Wednesday" because that was the beginning of a very good relationship. You have no idea how much fun we had and how much you've grown to mean to me. I have the best time in the world coming to your home and being with your family. I guess I enjoy that more than anything else.

Well, Warren, I guess I'll stop for now - you only left me 1 page and - "here it is!" Please be sweet and sit at you tomorrow night!

Love always,

Cathy

Warren,

To a real great guy  
I haven't known  
any long but the  
time I have you have  
really been a great  
friend. This is our  
last year of this  
summer placed out  
this last year has  
really been great.  
Good luck and  
May God bless

Your friend

Say Warren,

Only 21 more days for  
you - how excited you  
must be. How fun can  
your high school is the  
last year of your life.  
Believe me - I love it  
and it is a blast but  
oh how hard it is. Study  
hard, too but to have a  
great time doing it.  
Some so difficult not  
seeing you and the  
other kids everyday but  
this life. I get so tickled  
at our concepts at college  
because I always think  
of the great times we  
had at them. Remember?  
Good luck Warren and  
knowing you, I don't have  
to encourage you too  
much to have a good  
time. You would say!

Lots of love,  
Steve  
Fresh. 10/11/88

Warren,

This is just to drop a great  
guy a line to show that a stupid  
guy like me thinks a lot of him.  
Wish you all the luck in the  
world.

Your friend  
Bob Dyeon.
